Hi Sgt. Nacke and Officer Fransen,

I write for [Oaklandside.org](https://oaklandside.org), a new nonprofit newsroom in Oakland.

I'm seeking more information about the OIS that occurred on Saturday night on Cherry Street in Oakland.

Can CHP tell me the following:

What was the purpose of the vehicle stop that preceded the shooting and arrest? It has been reported this was possibly a stolen vehicle. Is this confirmed?

Can you provide a brief summary of the incident?

Can you confirm the names of the two persons who were in the vehicle? I know that the driver was Erik Salgado, age 22. Mr. Salgado's family said the woman in the vehicle was pregnant. Is this confirmed?

Was Mr. Salgado or anyone else at the scene in possession of a firearm or other weapon? Has CHP been able to determine if Mr. Salgado or anyone in the vehicle or area fired on CHP officers?

How many CHP officers were involved in the OIS?

Were any CHP officers injured during the OIS?

Approximately how many shots were fired by CHP during this incident?

I can be reached at 510-220-0460.

OPD says it is going to release more information today so my deadline for any information from CHP is this afternoon, before 4pm.

Thanks,

Darwin
