On 01/25/21, about 1904 hours, deputies were detailed to 15563 Washington Avenue in San Lorenzo to ascertain the problem (possible trespassing). The reporting party (suspect), Peter Liu, called the Sheriff's Office after he encountered what he thought to be trespassers on his business property. Liu advised Sheriff's Radio that he had a firearm.

Upon arrival, deputies located Liu and several involved parties, to include two victims, in front of the property near the sidewalk and to the rear of the property. One of the involved parties told deputies Liu had a firearm and that Liu pointed it at the involved party. Liu spontaneously admitted to having a firearm in his pants pocket. Liu was detained in handcuffs without incident and gave consent to deputies to search his person.

A loaded black Glock 19 9mm firearm was located inside Liu's left pants pocket. The firearm had 10 live 9mm bullets, with one in the chamber. Liu told me he believed he could conceal carry the loaded firearm because he was a "veteran," and told me he pointed his loaded firearm at the involved parties/victims because he did not know who they were and why they were on the property.

Further investigation revealed the property was sold to one of the involved parties and it was determined to be a civil issue regarding the rightful ownership of the property. The victims (V1 and V2) were at the rear of the property when Liu contacted them and pointed the loaded firearm at them. V1 had V2 (infant child) in a black stroller in front of her when Liu pointed the loaded firearm at them.

Liu was placed under arrest for violations of PC 25850(a) - Carrying a loaded firearm in public, PC 25400(a)(2) - Carrying a concealed firearm on person, PC 273a(a) - Willful cruelty to a child likely to produce serious bodily injury or death, and PC 417(a)(2)(b) - Brandishing a weapon/firearm, and was booked into the Santa Rita Jail in Dublin. Complaint sought.

I declare under penalty of perjury that the above information was obtained through official police channels and is contained in the above-mentioned police report. Executed in the County of Alameda, State of California. Identity and signature of declarant verified by CRIMS.
