Attorneys for all Plaintiffs and Petitioners

SUPERIOR COURT OF THE STATE OF CALIFORNIA
FOR THE CITY AND COUNTY OF ALAMEDA

James V. Lacy and United States Justice
Foundation,

Plaintiffs and Petitioners,

vs.

City of Oakland
and DOES 1 through 25, inclusive,

Defendants and Respondents.

Case No.: **22CV023958**

Verified Complaint & Petition for

1. Declaratory Relief (CCP § 1060)
2. Injunction (CCP § 526a)
3. Writ of Mandate (CCP § 1085)

1 Plaintiffs and Petitioners (hereafter, Plaintiffs) allege as follows:

2 1. On November 8, 2022, Oakland voters passed Measure S, which amended the City’s
3 charter to allow to allow noncitizens to vote in elections for Oakland Unified School District
4 (OUSD) board members.

5 2. In this action, Plaintiffs contend that the charter amendment is ineffective and violates
6 articles II, IX, and XI of the California Constitution. For this reason, Plaintiffs seek a declaratory
7 judgment that Measure S is unconstitutional and an injunction enjoining any action to implement
8 it.

9 3. This action is brought in the public interest on behalf of every citizen of the City of
10 Oakland as well as the State of California. Oakland residents have an undeniable interest in
11 ensuring that their city maintains a charter which complies with state law and that their elections
12 are conducted in accordance with controlling state law. This right extends to everyone in the
13 state because integrity of elections is a matter of statewide concern. Additionally, school districts
14 are funded with the taxes paid by each of the state’s taxpayers into the state’s general fund. When
15 OUSD spends taxpayer funds, it is not spending local taxpayer funds; it is spending state taxpayer
16 funds. In this regard, everyone in the state has an interest in OUSD’s expenditures. From that
17 interest, everyone in the state also has an interest in ensuring that OUSD’s governing board is
18 elected in accordance with state law.

19
20 **PARTIES**

21 1. Plaintiff and Petitioner **United States Justice Foundation (USJF)** is a nonprofit public
22 benefit corporation organized under the laws of the State of California. Enforcing state law as it
23 relates to the claims in this case is within the scope of USJF’s purpose. USJF, for itself and/or
24 while representing its supporters, has public interest standing on this basis. (See, *e.g.*, *Rialto*
25 *Citizens for Responsible Growth v. City of Rialto* (2012) 208 Cal.App.4th 899, 912.) On behalf of its
26 supporters, USJF also has representative standing because its supporters, who it represents, pay
27 income taxes to the state of California, sales, use, and property taxes in the City of Oakland, and
28 are interested in the conduct of OUSD. USJF also has individual standing because it has (through

1 an agent) paid Oakland sales taxes within the past year.

2 2. Plaintiff and Petitioner **James V. Lacy**, is a California resident, voter/elector, and
3 taxpayer. Residing in the County of Orange, State of California, Lacy pays income taxes into the
4 state's general fund, which are allocated to OUSD. Mr. Lacy has individual standing based on (1)
5 his association with USJF (he is its President) (*Citizens for Amending Proposition L v. City of*
6 *Pomona* (2018) 28 Cal.App.5th 1159, 1172-1173), and (2) the public right of everyone in the state
7 to bring actions in the public interest, as described in *Green v. Obledo* (1981) 29 Cal.3d 126 and its
8 progeny; and (3) his status as a taxpayer in this state.

9 3. Plaintiffs and Petitioners James V. Lacy and USJF, with others, were plaintiffs in *Lacy v.*
10 *City and County of San Francisco* (Super. Ct. S.F. County, 2022, No. CPF-22-517714). In *Lacy v.*
11 *S.F.*, a judge of the San Francisco County Superior Court struck down a similar ordinance in San
12 Francisco and permanently enjoined San Francisco from allowing noncitizen voting in elections
13 for the San Francisco Unified School District. That decision was stayed pending appeal to the
14 California Court of Appeal, First District, Division 5 (NO. A165899). Lacy and USJF's
15 involvement in the San Francisco litigation is demonstrative of their interest in ensuring fair
16 school district elections throughout the state.

17 4. Defendant and Respondent **City of Oakland** is a charter city organized under the laws of
18 the State of California. The City of Oakland is a political subdivision of the State of California.

19 5. The true names of Defendant and Respondent DOES 1 through 25, inclusive, are
20 unknown to Plaintiffs, who therefore bring this action against DOES 1 through 25, inclusive, by
21 such fictitious names and will seek leave of this Complaint and Petition to show their true names,
22 identities, and capacities when they have been ascertained.

23 6. For convenience, the Plaintiffs and Petitioners are referred to more simply as Plaintiffs.
24 Similarly, the Defendants and Respondents are more simply referred to as Defendants.
25
26
27
28

1 JURISDICTION AND VENUE

2 7. The California Superior Court for the County of Alameda is the proper venue because the
3 acts complained of which are the subject of this Complaint, have all occurred or will all occur in
4 the City Oakland, County of Alameda.

5 8. Defendant Oakland City Council is a political subdivision of the State of California wholly
6 located in this Court’s jurisdiction.

7 9. The relief sought is within the jurisdiction of this Court.

8 FACTS COMMON TO ALL CAUSES OF ACTION

9 10. On June 21, 2022, the Oakland City Council adopted Resolution Number 89281. A true
10 and correct copy of that resolution and related ballot materials, obtained from the City’s website,
11 is attached as **Exhibit A** to this Complaint.

12 11. The purpose of the resolution was to submit a charter amendment to City voters at the
13 November 8, 2022 general election. The charter amendment would add section 1107 to article XI
14 to “allow noncitizen residents, who are the parents, legal guardians, or legally recognized
15 caregivers of a child residing in Oakland, to vote for the office of school board director on the
16 Oakland Unified School district Board of Education.” (Exh. A, pp. 1 [title], 2 [new section 1107 &
17 ballot label].)

18 12. On August 16, 2022, Plaintiffs were among those who filed suit in the Alameda County
19 Superior Court seeking a writ of mandate that would remove what was later designated as
20 Measure S from the November 8, 2022 ballot. (*Lacy v. Reed* (Super Ct. Alameda County, 2022,
21 No. 22CV016302).) After the court denied that request for pre-election relief, the charter
22 amendment was designated as Measure S on the November 8, 2022 ballot and adopted by
23 Oakland voters.
24

25 13. When the court considered the pre-election claim, it decided only that Measure S should
26 appear on the November 8, 2022 ballot. Therefore, this post-election challenge to section 1107 to
27 article XI of the Oakland City Charter is not barred by claim or issue preclusion.
28

1 14. Section 2 of article II of the California Constitution establishes who may vote in the state.
2 It provides: “A United States citizen 18 years of age and resident in this State may vote.” The
3 plain language of this provision does not allow the Legislature, any charter city, or any other body
4 to establish voting rights for anyone who is not a United States citizen, 18 years of age, or resident
5 of the state.

6 15. Even if article II, section 2 is interpreted as allowing the Legislature to create new voting
7 rights, charter cities do not have that power. Extending noncitizen voting rights is not within a
8 charter city’s “home rule” powers under section 5 of article XI nor is it within the scope a
9 charter city’s authority to regulate the manner of a school board member’s election (see Cal.
10 Const., art. IX, § 16).

11 16. Oakland’s “home rule” powers do not allow it to create noncitizen voting rights because,
12 *inter alia*, (1) school board elections are not a municipal affair, and (2) voter qualifications is an
13 issue of statewide concern, not subject to local regulation by a charter city.

14 17. As to section 16 of article IX, courts have concluded that establishing voter qualifications
15 is not the same as providing for the “manner of election.” (See *People ex rel. Devine v. Elkus*
16 (1922) 59 Cal.App. 396, 405.) Just as above, authority to determine voter qualifications is
17 reserved to the state.

18 18. Alternatively, to the extent that section 2 of article II limits the Legislature but not charter
19 cities, Oakland’s extension of voting rights violates the fundamental voting rights of Oakland
20 citizens by unconstitutionally diluting the impact of their votes. (See *Bush v. Gore* (2000) 531 U.S.
21 98, 105 [voting is fundamental right]; *City of Mobile v. Bolden* (1980) 446 U.S. 55, 113-114 (dis.
22 opn. of Marshall, J.) [discussing the authorities that are the basis for a conclusion that voters are
23 entitled to protection against vote dilution].)

24 19. For these reasons, Oakland does not have the power to grant voting rights to noncitizens.
25 Even if it was permissible for the Oakland City Council to submit Measure S to voters, it is
26 appropriate to determine the measure’s constitutionality and to request relief that will prevent its
27 implementation.
28

CAUSES OF ACTION

I. FIRST CAUSE OF ACTION: Declaratory Relief (CCP § 1060) by All Plaintiffs against all Defendants

20. Plaintiffs reallege and incorporate paragraphs 1 through 19 as if fully set forth herein.

21. Plaintiffs contend that the City of Oakland does not have the power to extend voting rights to persons who are not United States citizens.

22. Plaintiffs are informed and believe that Defendants contend otherwise.

23. There is an actual controversy between the parties, which is ripe for adjudication. The controversy concerns the limits of the City’s power and whether it can rely upon and implement the charter provision at issue in this case.

24. Plaintiffs request a declaratory judgment from this Court that section 1107 of article XI of the Oakland Charter is unconstitutional on and may not be implemented.

25. Plaintiffs have standing as set forth above under the heading “Parties.”

II. SECOND CAUSE OF ACTION: Injunctive Relief (CCP § 526a) by All Plaintiffs against all Defendants

26. Plaintiffs reallege and incorporate paragraphs 1 through 25 as if fully set forth herein.

27. Under section 526a of the Code of Civil Procedure, certain taxpayers may obtain an injunction to prevent the “any illegal expenditure of, waste of, or injury to, the estate, funds, or other property of a local agency.”

28. As set forth above, under the heading “Parties,” Plaintiffs and their members have paid taxes that fund the City of Oakland and OSUD within the past year.

29. As set forth above, section 1107 of article XI of the Oakland Charter is unconstitutional and may not be implemented. Any attempt to implement this unconstitutional charter provision will be a waste of public funds that can be restrained by section 526a.

30. While an injunction may not lie to “[t]o prevent the execution of a public statute by officers of the law for the public benefit,” (Code Civ. Proc. § 526, subd. (b)(4)), Plaintiffs do not

1 seek an injunction for this purpose. The charter provisions at issue in this case, which Plaintiffs
2 seek to enjoin, are plainly unconstitutional. They are void and have no legal effect, and an
3 injunction is proper to prevent their execution.

4 **III. THIRD CAUSE OF ACTION: Writ of Mandate (CCP § 1085) by All Plaintiffs against all**
5 **Defendants**

6 31. Plaintiffs reallege and incorporate paragraphs 1 through 19 as if fully set forth herein.

7 32. Under Code of Civil Procedure section 1085, “[a] writ of mandate may be issued by any
8 court to any inferior tribunal, corporation, board, or person, to compel the performance of an act
9 which the law specially enjoins, as a duty resulting from an office, trust, or station, or to compel
10 the admission of a party to the use and enjoyment of a right or office to which the party is
11 entitled, and from which the party is unlawfully precluded by that inferior tribunal, corporation,
12 board, or person.” (*Id.* at subd. (a).)

13 33. As to this Court, Defendant is an inferior person.

14 34. Writ relief is appropriate to determine the constitutionality of a measure. Here, it is
15 appropriate to remove the measure in question from the ballot because its unconstitutionality is
16 without question. There is no justification to go incur the expense of calling an election on a
17 measure that can never be enacted.

18 35. A writ of mandate may issue when there is no plain, speedy, and adequate remedy in the
19 ordinary course of law. (Code Civ. Proc. § 1086.) This relief is pled as an alternative to the other
20 remedies requested. If those other remedies are unavailable for any reason, then Plaintiffs would
21 have no other plain, speedy, or adequate remedy in the ordinary course of law and this writ relief
22 would be appropriate.

23 36. Writ relief is appropriate to determine the constitutionality of legislative enactments such
24 as section 1107 of article XI of the Oakland Charter.

25 37. A writ of mandate must issue “upon the verified petition of the party beneficially
26 interested.” (Code Civ. Proc. § 1086.)
27
28

1 38. This complaint and petition is verified.

2 39. Plaintiffs are beneficially interested and have standing as set forth under the heading
3 "Parties," *supra*.

4 **PRAYER FOR RELIEF**

5 Wherefore, Plaintiffs pray that the Court enter judgment in their favor with orders for the
6 following:

- 7 1. Declaratory judgment that section 1107 of article XI of the Oakland Charter is
8 unconstitutional and may not be implemented;
- 9 2. Temporary, preliminary, and/or permanent injunctive relief prohibiting Defendants'
10 implementation of section 1107 of article XI of the Oakland Charter;
- 11 3. A writ of mandate prohibiting Defendants' implementation of section 1107 of article XI of
12 the Oakland Charter;
- 13 4. Plaintiff's costs of suit and reasonable attorneys' fees; and
- 14 5. Such other and further relief as the Court deems proper.

WHEREAS, bringing immigrant parents into conversations about curriculum, staff, and language used in class can lead to better academic outcomes for students; and

WHEREAS, thousands of Oakland students and parents are currently disenfranchised and do not have representation in key decisions that impact their education and lives; and

WHEREAS, despite paying taxes and sending their children to public school current law prohibits noncitizens from voting in school board elections; and

WHEREAS, the current exclusion of non-citizens from the electorate is rooted in racism and xenophobia, not unlike poll taxes, voter intimidation, grandfather clauses, felon disenfranchisement laws, and restrictive voter registration; and

CITY ATTORNEY'S BALLOT TITLE AND SUMMARY OF MEASURE _____

The City Attorney has prepared the following title and summary of the chief purpose and points of the proposed measure:

BALLOT TITLE:

A Proposed Charter Amendment Authorizing the City Council to Adopt an Ordinance Allowing Noncitizen Residents, who are the Parents, Legal Guardians, or Legally Recognized Caregivers of a Qualified Child, to Vote for the Office of School Board Director if they are Otherwise Eligible to Vote Under State and Local Law.

BALLOT SUMMARY:

Currently, only United States citizens can vote in Oakland school board elections. This measure would authorize the Oakland City Council to pass an ordinance allowing certain residents of Oakland, who are not United States citizens, to vote for Oakland school board directors. Specifically, the City Council could adopt an ordinance that would allow noncitizens to vote for the Office of School Board Director if they are: 1) residents of Oakland; 2) otherwise eligible to vote under California law; and 3) parents, legal guardians, or legal caregivers of qualified minor children. The City Council would have the authority to establish criteria for qualifying children, and to modify the ordinance if required by federal or state law. This measure would authorize, but not require that the City Council expand the eligibility criteria for voting in Oakland school board elections. This measure would not authorize the City Council to change voter eligibility criteria for any other elections.

This measure was placed on the ballot by the Oakland City Council. Passage of this measure requires an affirmative vote of a majority of voters (i.e., more than 50% of the votes cast). A "yes" vote will approve the measure; a "no" vote will reject the measure.

CITY ATTORNEY'S IMPARTIAL ANALYSIS OF MEASURE _____

Currently, only United States citizens can vote in Oakland school board elections. This measure would authorize the Oakland City Council to expand voting eligibility criteria for Oakland school board elections. Specifically, the City Council would be authorized to adopt an ordinance that would allow noncitizens to vote for the Office of School Board Director if they are: 1) residents of Oakland; 2) otherwise eligible to vote under California law; and 3) parents, legal guardians, or legal caregivers of qualified minor children.

The criteria for qualifying children would be established by City ordinance. If state or federal law prohibits the Council from providing that only noncitizens with children are eligible to vote in school board elections, the measure would authorize the City Council to expand eligibility to noncitizens without children, if they are Oakland residents and otherwise are eligible to vote under California law.

This measure would authorize, but not require that the City Council expand the eligibility requirements for voting in Oakland school board elections. This measure would authorize the City Council to expand the voter eligibility requirements only for the Office of School Board Director.

This measure was placed on the ballot by the Oakland City Council. Passage of this measure requires an affirmative vote of the majority of voters who cast votes regarding this measure (i.e., more than 50% of the votes). A "yes" vote will approve the measure; a "no" vote will reject the measure.

OUSD Non-Citizen Voting Ballot Measure November 2022
Impartial Financial Analysis
Office of The City Auditor

Summary

Currently, non-citizen residents are not permitted to vote in Oakland Unified School District's (OUSD) school board elections. This measure, if approved by a majority of the voters, would authorize non-citizen residents, who are the parents, legal guardians, or legally recognized caregivers of a child, to vote in OUSD's school board elections. Specifically, the measure would authorize the Oakland City Council to adopt an ordinance to allow specified non-citizen residents to vote in OUSD school board elections. This measure does not authorize the City Council to change other state voter eligibility requirements.

The Oakland City Charter governs the elections for OUSD's school board directors. OUSD's School Board has seven directors elected to four-year terms by districts corresponding to the seven Oakland City Council districts. Three directors are elected in the general municipal elections in non-presidential election years, and the remaining four directors are elected in the general municipal elections in presidential election years.

Financial Analysis

If the measure passes, and if the City Council adopts such an ordinance in the future, we estimate the City of Oakland (City) would incur costs of \$21,000 to \$28,000 in years in which OUSD school board elections are held. These costs would increase with inflation as the measure, if approved, would not go into effect any earlier than the 2024 general election.

Our estimate is based on the costs of the 2020 general municipal election for the OUSD school board and estimates of the number of non-citizen parents in Oakland reported in the City Council resolution authorizing this measure to be placed on the ballot. Additional costs include a minimal increase in election costs paid to the Alameda County Registrar of Voters and printing costs related to the increase in registered voters.

Besides the above costs, the City would also incur additional ongoing costs for creating and maintaining an additional database within the existing voter registration system. However, we cannot estimate these costs at this time.

Our independent analysis is based on the best information available at this time.
