Subject: Re: Organized Retail Theft Prevention Grant Program

Hi Amber! Sorry to mess you guys about!

I think our conflict was cancelled but I am checking with President Bas's team to see if they can meet then or before to get through the language on prevention, intelligence sharing and capacity building for businesses—as DQ says, they need staff for that so that's perfect for this grant.

I'll come back as soon as I hear!

Follow Up Flag: Flag for follow up
Flag Status: Flagged

Hi all,

Quick check! Christy and I originally had a conflict for tomorrow's meeting w OPD. Our conflict got moved, would you guys be ok with using the currently scheduled 1-2pm slot to work through some language on prevention, intelligence sharing and merchant capacity building? DQ mentioned he liked this idea but they don't have staff. We can apply for that.

We could keep tomorrow's time slot and workshop it if, if that time works for you? If not, let us know anytime you have free over the next couple days?

Subject: Re: OPD grant opportunity

Hey all

Can we meet up and develop some language for answering the RFP questions---but also to draft and articulate this as an initiative?

There's been a ton of great ideas around vandalism and theft prevention, and there seems to be some existing OPD services, but we haven't called it out and blended it all to make it a program?

It would be so helpful if co-produced this first version with you guys given the experience in Little Saigon!

Cristy and I are available Thursday midday, early afternoon and Friday late morning?

Thanks so much for all your help on all this!

Subject: Re: OPD grant opportunity

Thanks so much for the time yesterday! Is it ok to say OPD is leading this is as a capacity building grant for small business on commercial corridors to help prevent crime and increase our solvency when it happens?

I have pulled the key questions from the RFP (attached) for Cinthya and Amaya and I to shape our ideas to enhance the DQ's start on LPRs and extra cars with

OPD Staffing for Preventative Public Education, Ambassadors, CPTEDs and Merchant Watch

Investigative intelligence sharing equipment purchases for follow up after the crime

Creation of a Burglary Task Force

and then DQ do you think we could include Motor Vehicle Accessory Theft programming as part of Retail Crime—the public safety cameras read the plates and gather data but it's all the activity above that turns it into intelligence and prevents thefts from becoming burglaries through merchant collaboration. Could we say

If CM Bas's Office and Business Development describe our thoughts in answer to the attached questions is that helpful? Did I miss anything in the program components above? Amber does that give you guys enough options if we need to readjust?

Thanks again so much for all your help and advice!

Subject: OPD grant opportunity

Hi Tracey,

Very nice to meet you! I was given your name from Joe DeVries, the Deputy City Admin. He suggested we speak with you about the grant opportunity listed below. Our merchant associations have spoken with Council President Bas about the immediate need for these funds on the street as our burglary, theft and vandalism rates continue to rise in commercial corridors across the city. While she was very supportive, we need to pull together a team and assemble a proposal before July 7.

Our first question was whether your team was aware and interested in the opportunity? [Here is the grant packet.](#) Officially Council submits the grant to be received and implemented by OPD. Can you advise us on the protocol for the application from your team's perspective? My Business Development Manager Cristy Johnston is cc'd here, we are in Economic Development, as well as Amaya from President Bas's office. Would it be ok to schedule a call and have a look at the possibility of applying for this grant?

Thanks so much for any help,
Shawnee

Grant Overview:

Board of State and Community Corrections (BSCC) Organized Retail Theft Prevention

Grant Letter of Intent optional (May 15, 2023)

Medium Scope Category: Max Award: \$6,125,000 Large Scope Category: Max Award: \$15,650,000 No Match Required
Funding is available to California city police departments, sheriff departments, and probation departments to support local law enforcement agencies in preventing and responding to organized retail theft, motor vehicle or motor vehicle accessory theft, or cargo theft.

Permissible uses of grant funds include, but are not limited to, purchase of technology or other equipment to help deter strategies for preventing or responding to crime.

Subject: Re: OPD grant opportunity

Thanks so much for the time yesterday! Is it ok to say OPD is leading this is as a capacity building grant for small business on commercial corridors to help prevent crime and increase our solvency when it happens?

I have pulled the key questions from the RFP (attached) for Cinthya and Amaya and I to shape our ideas to enhance the DQ's start on LPRs and extra cars with

OPD Staffing for Preventative Public Education, Ambassadors, CPTEDs and Merchant Watch
Investigative intelligence sharing equipment purchases for follow up after the crime
Creation of a Burglary Task Force

and then DQ do you think we could include Motor Vehicle Accessory Theft programming as part of Retail Crime—the public safety cameras read the plates and gather data but it's all the activity above that turns it into intelligence and prevents thefts from becoming burglaries through merchant collaboration. Could we say

If CM Bas's Office and Business Development describe our thoughts in answer to the attached questions is that helpful? Did I miss anything in the program components above? Amber does that give you guys enough options if we need to readjust?

Thanks again so much for all your help and advice!

Subject: OPD grant opportunity

Hi Tracey,

Very nice to meet you! I was given your name from Joe DeVries, the Deputy City Admin. He suggested we speak with you about the grant opportunity listed below. Our merchant associations have spoken with Council President Bas about the immediate need for these funds on the street as our burglary, theft and vandalism rates continue to rise in commercial corridors across the city. While she was very supportive, we need to pull together a team and assemble a proposal before July 7.

Our first question was whether your team was aware and interested in the opportunity? [Here is the grant packet.](#) Officially Council submits the grant to be received and implemented by OPD. Can you advise us on the protocol for the application from your team's perspective? My Business Development Manager Cristy Johnston is cc'd here, we are in Economic Development, as well as Amaya from President Bas's office. Would it be ok to schedule a call and have a look at the possibility of applying for this grant?

Thanks so much for any help,
Shawnee

Grant Overview:

Board of State and Community Corrections (BSCC) Organized Retail Theft Prevention

Grant Letter of Intent optional (May 15, 2023)

Medium Scope Category: Max Award: \$6,125,000 Large Scope Category: Max Award: \$15,650,000 No Match Required

Funding is available to California city police departments, sheriff departments, and probation departments to support local law enforcement agencies in preventing and responding to organized retail theft, motor vehicle or motor vehicle accessory theft, or cargo theft.

Permissible uses of grant funds include, but are not limited to, purchase of technology or other equipment to help deter strategies for preventing or responding to crime.

Deadline, July 7, 2023

Keck, Shawnee

Morning all,

The second line under Eligibility to Apply, listed on Page 7 of the PDF says, "Applications must be submitted by the City Council, Board of Supervisors, or the Chief County Administrative Officer." So the advice from our Deputy City Admin was to check with Council and check with the funding agency given our Budget hearing timelines.

Awesome to hear President Bas is supportive, we have been working closely with her office in the Neighborhood Enhanced Service Teams so I'll follow up with them and OPD's admin as well. I'll come back as soon as I can.

Have a good weekend!

Subject: Re: Support for Public Safety Partnership

Hi guys! Quick update from me!

I spoke with Joe DeVries in our City Admin Office. He said service teams have been leading grant proposals with our various partners so Economic Development can help which is great news. He asked me to call the BSCC resource number and ask if we can send official Council approval at the end of July rather than at submission July 7. The CAO was able to get this accommodation on a different grant from a State agency so hopefully we can try. Council can send a letter of support to BSCC at submission on July 7 rather than putting the proposal through Rules and a full resolution to Council first--which Barb was correct, we don't have time for in June.

Joe also let me know that OPD does not have a full time grant writer but gave me the contact to work with. Just in case we can't do this one, I'm happy to understand the process so we can be ready for the next one! I'll be back again w more info as soon as I can.

Ah thanks Barb! I was about to fwd this to Sofia to ask how we elevate this opportunity? It came from the Townsend Grants Memo.

As Savlan says below, it needs to be submitted by the City Council. "The application should be submitted by the person(s) with the vested authority to enter into an agreement on behalf of the City."

I'm happy to coordinate w Council and OPD staff on the narrative, documents and data? Let me know what the procedure would be?

Barb, if Home Depot raised it before, is it being followed up? Who did they ask and what came of it? If it was decided not to go for it, why and who made that decision?

Thanks for any help!

Hi Shawnee, looping in the real political/logistical expert Barb for advice.

- She suggests contacting Barry or Chief directly for an OPD contact (I'm happy to do this)
- The Council needs to submit, it looks like: <https://www.bscc.ca.gov/wp-content/uploads/Organized-Retail-Theft-Prevention-Grant-Program-FAQs.pdf>
(I'm happy to contact our Councilmembers for support)
- Barb mentioned Home Depot brought up this grant and that they're aware other cities are applying
- Barb is offering data

Let's get to work--let me know if I should contact OPD above and cc you

**RE: Prioritizing Public Safety in Budget Process through Merchant Organization and BID Partnership--
Follow up on coalition letter sent 5/9/2023**

To: Mayor Sheng Thao and Councilmembers

Public safety is a top priority of communities across Oakland as is reflected in every Councilmember's published budget priorities. We understand the challenge facing Oakland in its significant budget deficit. We invite your partnership with our community-based business-serving organizations to achieve shared goals with investment in programs such as physical safety improvements and paid safety ambassadors throughout

Oakland's commercial neighborhoods. These community-building programs are economical and effective in directly addressing this priority.

In December of 2022, City Staff and its BIDs and business organizations worked together to fund enhanced safety ambassador services throughout Oakland's commercial neighborhoods through the Shop Safe Initiative adopted by City Council. These investments resulted in thousands of hours of presence and outreach by community-based safety ambassadors and security teams, and dozens of physical security improvement projects benefiting hundreds of individual merchants and the safety of their customers and workers, and are even an employment opportunity. As an example, the KONO BID tracked a 13% reduction in incidents year over year for December, and a 25% reduction from November to December 2022. With dedicated staff support, commercial district and community leaders shared resources and best practices in implementing these programs in their respective neighborhoods. This initiative leveraged the community partnerships of nonprofit and merchant organizations to support public safety.

We ask that the budget include additional grant opportunities for physical safety improvements and enhanced safety ambassador presence to build on this effort's proven success, and leverage the partnership of community-based organizations that serve our diverse business communities.

Oakland's commercial neighborhoods are its economic, civic, cultural and social lifeblood. As BID and business organization leaders, we are committed to working with our City partners to keep our commercial neighborhoods welcoming to all and resilient in these extraordinarily challenging times.

Sincerely,

Savlan Hauser on behalf of the Oakland BID+ Alliance including: Temescal Business Improvement District, Koreatown Northgate Laurel District Association, Montclair Village, Oakland African American Chamber of Commerce, Black Cultural Zone CDC, Oakland Chinatown Chamber of Commerce, Downtown & Uptown Oakland Associations, Jack London Improvement District, Oakland Chinatown Improvement Council, Alameda County Latina Chamber of Commerce, Lakeshore Business Improvement District, and other participating organizations.

On Tue, May 9, 2023 at 1:50 PM Savlan Hauser <savlan@jacklondonoakland.org> wrote:

Dear Honorable Council Members and Mayor Thao,

Please see attached statement of support for partnership with Oakland's BIDs and business-serving organizations to address shared public safety goals.

Subject: Re: Support for Public Safety Partnership

Morning all,

The second line under Eligibility to Apply, listed on Page 7 of the PDF says, "Applications must be submitted by the City Council, Board of Supervisors, or the Chief County Administrative Officer." So the advice from our Deputy City Admin was to check with Council and check with the funding agency given our Budget hearing timelines.

Awesome to hear President Bas is supportive, we have been working closely with her office in the Neighborhood Enhanced Service Teams so I'll follow up with them and OPD's admin as well. I'll come back as soon as I can.

Have a good weekend!

Shawnee

Clarification to your email below, not sure I ever said the grant at the onset needed council review, only accepting funds requires council approval.

Met with Nikki yesterday and forwarded her the grant info. She would like to pursue by deadline.

Hi guys! Quick update from me!

I spoke with Joe DeVries in our City Admin Office. He said service teams have been leading grant proposals with our various partners so Economic Development can help which is great news. He asked me to call the BSCC resource number and ask if we can send official Council approval at the end of July rather than at submission July 7. The CAO was able to get this accommodation on a different grant from a State agency so hopefully we can try. Council can send a letter of support to BSCC at submission on July 7 rather than putting the proposal through Rules and a full resolution to Council first--which Barb was correct, we don't have time for in June.

Joe also let me know that OPD does not have a full time grant writer but gave me the contact to work with. Just in case we can't do this one, I'm happy to understand the process so we can be ready for the next one! I'll be back again w more info as soon as I can.

During a Policy meeting Home depot mentioned the grant as they have been asked by other cities to provide data for their applications. I have no other info – but it seems like we are a bit late and don't want to miss the opportunity. I have not read it but will find whatever data is needed from our businesses for submission.

Nikki should lead effort as council president or Mayor. We met with the Mayor yesterday and I'm happy to follow up on any items as this is related to our discussion.

Looks like city needs to lead this effort ASAP, we are available when needed.

Ah thanks Barb! I was about to fwd this to Sofia to ask how we elevate this opportunity? It came from the Townsend Grants Memo.

As Savlan says below, it needs to be submitted by the City Council. "The application should be submitted by the person(s) with the vested authority to enter into an agreement on behalf of the City."

I'm happy to coordinate w Council and OPD staff on the narrative, documents and data? Let me know what the procedure would be?

Barb, if Home Depot raised it before, is it being followed up? Who did they ask and what came of it? If it was decided not to go for it, why and who made that decision?

Thanks for any help!

Subject: RE: Support for Public Safety Partnership in Budget Process from BIDs and Business Serving Organizations - BID+ Alliance

Thanks Savlan for including the Chamber!! - And yes we don't want to miss this opportunity! Sounds like, from my call this am, that many jurisdictions are farther along than Oakland in their application process. We are of course available to support any way we can. Looks like specific business data has been requested, thus the reason Home Depot was aware of it.

Just let us know. I can reach out to Chief or Barry to find best contact in OPD as well if needed.

Hi Shawnee, looping in the real political/logistical expert Barb for advice.

- She suggests contacting Barry or Chief directly for an OPD contact (I'm happy to do this)
- The Council needs to submit, it looks like: <https://www.bscc.ca.gov/wp-content/uploads/Organized-Retail-Theft-Prevention-Grant-Program-FAQs.pdf>
- (I'm happy to contact our Councilmembers for support)
- Barb mentioned Home Depot brought up this grant and that they're aware other cities are applying
- Barb is offering data

Let's get to work--let me know if I should contact OPD above and cc you Savlan

**RE: Prioritizing Public Safety in Budget Process through Merchant Organization and BID Partnership--
Follow up on coalition letter sent 5/9/2023**

To: Mayor Sheng Thao and Councilmembers

Public safety is a top priority of communities across Oakland as is reflected in every Councilmember's published budget priorities. We understand the challenge facing Oakland in its significant budget deficit. We invite your partnership with our community-based business-serving organizations to achieve shared goals with investment in programs such as physical safety improvements and paid safety ambassadors throughout Oakland's commercial neighborhoods. These community-building programs are economical and effective in directly addressing this priority.

In December of 2022, City Staff and its BIDs and business organizations worked together to fund enhanced safety ambassador services throughout Oakland's commercial neighborhoods through the Shop Safe Initiative adopted by City Council. These investments resulted in thousands of hours of presence and outreach by community-based safety ambassadors and security teams, and dozens of physical security improvement projects benefiting hundreds of individual merchants and the safety of their customers and workers, and are even an employment opportunity. As an example, the KONO BID tracked a 13% reduction in incidents year over year for December, and a 25% reduction from November to December 2022. With dedicated staff support, commercial district and community leaders shared resources and best practices in implementing these programs in their respective neighborhoods. This initiative leveraged the community partnerships of nonprofit and merchant organizations to support public safety.

We ask that the budget include additional grant opportunities for physical safety improvements and enhanced safety ambassador presence to build on this effort's proven success, and leverage the partnership of community-based organizations that serve our diverse business communities.

Oakland's commercial neighborhoods are its economic, civic, cultural and social lifeblood. As BID and business organization leaders, we are committed to working with our City partners to keep our commercial neighborhoods welcoming to all and resilient in these extraordinarily challenging times.

Sincerely,

Savlan Hauser on behalf of the Oakland BID+ Alliance including: Temescal Business Improvement District, Koreatown Northgate Laurel District Association, Montclair Village, Oakland African American Chamber of Commerce, Black Cultural Zone CDC, Oakland Chinatown Chamber of Commerce, Downtown & Uptown Oakland Associations, Jack London Improvement District, Oakland Chinatown Improvement Council, Alameda County Latina Chamber of Commerce, Lakeshore Business Improvement District, and other participating organizations.

Thanks so much for the time yesterday! Is it ok to say OPD is leading this is as a capacity building grant for small business on commercial corridors to help prevent crime and increase our solvency when it happens?

I have pulled the key questions from the RFP (attached) for Cinthya and Amaya and I to shape our ideas to enhance the DQ's start on LPRs and extra cars with

OPD Staffing for Preventative Public Education, Ambassadors, CPTEDs and Merchant Watch
Investigative intelligence sharing equipment purchases for follow up after the crime
Creation of a Burglary Task Force

and then DQ do you think we could include Motor Vehicle Accessory Theft programming as part of Retail Crime—the public safety cameras read the plates and gather data but it's all the activity above that turns it into intelligence and prevents thefts from becoming burglaries through merchant collaboration. Could we say

If CM Bas's Office and Business Development describe our thoughts in answer to the attached questions is that helpful? Did I miss anything in the program components above? Amber does that give you guys enough options if we need to readjust?

Thanks again so much for all your help and advice!

Subject: OPD grant opportunity

Hi Tracey,

Very nice to meet you! I was given your name from Joe DeVries, the Deputy City Admin. He suggested we speak with you about the grant opportunity listed below. Our merchant associations have spoken with Council President Bas about the immediate need for these funds on the street as our burglary, theft and vandalism rates continue to rise in commercial corridors across the city. While she was very supportive, we need to pull together a team and assemble a proposal before July 7.

Our first question was whether your team was aware and interested in the opportunity? [Here is the grant packet.](#) Officially Council submits the grant to be received and implemented by OPD. Can you advise us on the protocol for the application from your team's perspective? My Business Development Manager Cristy Johnston is cc'd here, we are in Economic Development, as well as Amaya from President Bas's office. Would it be ok to schedule a call and have a look at the possibility of applying for this grant?

Thanks so much for any help,
Shawnee
