Yes, one letter with multiple signatories.

Thanks again!

Thanks for the update. Usually, it's helpful to have multiple letters from stakeholders for grant submissions. Are you saying OPD only wants to submit one?

Let us know.

Hi all,

Yes, sorry this has been a lot of work and totally worth it! Spoke w Savlan earlier to say this copy is great. OPD has asked for one letter signed by as many business associations as we'd like. It makes the attachments easier. We're on it. Even if we don't get the BSCC grant proper, we have created a really great plan that gets straight to the heart of a lot of the issues around theft and vandalism.

I really love Oakland! Thanks for all your support!
